**Presentation on Groundwater Sustainability Plan Regulations -Bill Ehorn,  
Department of Water Resources**

**Requested Action(s)**

Informational presentation by the Department of Water Resources (DWR) on the Groundwater Sustainability Plan (GSP) Regulations required by the Sustainable Groundwater Management Act (SGMA) of 2014.

**Background Information:**

The Sustainable Groundwater Management Act was approved in September of 2014 and became law on January 1, 2015. SGMA legislation directed DWR to develop regulations pertaining to the development of Groundwater Sustainability Plans. DWR finalized the Plan regulations in June of 2016.

Bill Ehorn, Supervising Engineering Geologist for DWR's Northern Region Office will provide information on the GSP regulations with an emphasis on the required contents. Additional information can be found on DWR's Sustainable Groundwater Management Act website
