Requested Action(s)

- a) AGREEMENT - Request approval and authorization for the Purchasing Agent to sign the agreement with Dudley's Excavating Inc., for the purpose of removing silt, silt laden gravel and foreign debris from the Tehama County River Park boat ramp for an all-inclusive flat fee of \$9,775, effective upon the date of signing and shall terminate upon completion of the work
(Miscellaneous Agreement #2017-123)

Financial Impact:

Funds are budgeted in 1076 - Property, Planning & Management account number 532319 - Boat Ramp Cleaning for fiscal year 16/17.

Background Information:

Boat Ramps are maintained at three County parks and are cleared of silt and debris each year after the rainy season. Due to the severe storms this year the amount of silt and debris was significantly higher than in previous years. Due to the volume of material, Administration put out an informal bid for cleaning the River Park boat ramp. Bids were opened on May 16, 2017 and Dudley's Excavating Inc. was the low responsive bidder for this work. The work will proceed once river water levels allow for a safe and thorough ramp cleaning.
