LIBRARY - Library Manager Sally Ainsworth

Requested Action(s)

- a) DONATION - Request approval and authorization for the Board to accept donations in the amount of \$82,290.96 as contributions to the new Tehama County Library Project

Financial Impact:

The total project costs are estimated at approximately \$6.2 million with \$4 million included in the 2014 Certificates of Participation and up to \$1.6 million in Tobacco Securitization authorized. These contributions will help fill the gap for the additional funds required for project completion and reduce the amount of Tobacco Securitization funds required.

Background Information:

The new Tehama County Library opened in August 2017. The generous contributions from the community have made this project possible. Today's donations total \$82,290.96, bringing the total project donations to \$762,290.96
