### **Background Information:**

Subdivision (d) of Section 2.56.030 of the Tehama County Code regarding the Tehama County In-Home Supportive Services (IHSS) Public Authority Advisory Committee states that "The advisory committee shall consist of ten individuals;". This Ordinance changes the number of advisory committee members to six (6).

Section 2.56.030 also states that, "no fewer than fifty percent of the members of the advisory committee shall be individuals who are current or past users of personal assistance services paid for through public or private funds or recipients of services under Article 7 of part 3 of Division 9 of the Welfare and Institutions Code." Reducing the number of advisory committee members to six will provide a greater opportunity of full membership.
