Requested Action(s)

- a) INFORMATIONAL PRESENTATION - To provide an overview of the Tehama County budget process

Background Information:

On June 26, 2017, Auditor LeRoy Anderson and Chief Administrator Bill Goodwin provided an overview of the County budget process at a Town Hall meeting organized by Supervisor Carlson. In discussions with the bargaining unit representatives, it was determined that the general public has questions about the process and requirements in the State Budget Act that regulate basic uniformity for County financial planning and reporting.

The Board directed staff to provide this overview at a publicly noticed meeting in order to encourage greater public participation and transparency. By making this presentation at a Board meeting, the PowerPoint and audio presentation will be archived for future reference.
