DEPARTMENT**

Requested Action(s)

- a) AGREEMENT - Request approval and authorization for the Health Services Agency Executive Director and the Sheriff to sign the agreement for the purpose of providing a Registered Dietitian from Public Health to perform menu reviews for the Jail in order to assure compliance with Title 15 Regulations for the rates as set forth in Exhibit "B" with an amount not to exceed \$700 annually and total maximum compensation not to exceed \$2,800, effective 4/1/18 and shall terminate 6/30/22

(Miscellaneous Agreement #2018-183)

Financial Impact:

This is a receivable agreement and provides revenue to our Public Health Division in the amount of \$700.00 per fiscal year and \$2,800.00 for the entire term of the agreement.

Background Information:

Tehama County Public Health will provide oversight for the implementation of the meal service program for the Tehama County Jail by supplying a Registered Dietitian to review the Jail menus, review the diet manual, and consult with Jail staff and the attending physician if necessary. Without this service, the Sheriff's Department would be required to outsource this function in order to fulfill requirements under Title 15 Regulations.
