Regular Item

**TEHAMA COUNTY AIR POLLUTION CONTROL DISTRICT - Air Pollution Control  
Officer Joseph Tona**

**Requested Action(s)**

- a) RESOLUTION NO. 2019-78/AGREEMENT- Request adoption of a resolution approving Carl Moyer Program Fiscal Year 2018-19 (YR 21) State Reserve Project Agreement, in the amount of \$18,074 (Grant No. G18-MO45) to fund off-road projects eligible in accordance with the Moyer Program Guidelines; and request confirmation for the Air Pollution Control Officer to sign the Agreement, effective 4/23/19 through 12/31/23  
(Miscellaneous Agreement #2019-169)

**Financial Impact:**

This grant agreement will provide funding for the District to provide monetary grants to offset the incremental cost of off-road reduced emission technologies. All projects must be eligible in accordance with the Moyer Program Guidelines

**Background Information:**

The Carl Moyer Memorial Air Quality Standards Attainment Program (Moyer Program) provides monetary grants for the incremental cost of cleaner than required technology. While the California Air Resources Board (CARB) is responsible for developing the Moyer Program Guidelines, the participating California air pollution control districts and air quality management districts (air districts) are in charge of administering the program.

For Fiscal Year (FY) 2018-2019, the state reserve funds have been allocated towards off-road projects and associated administration under the Moyer Program.
