Requested Action(s)

- a) AGREEMENT - Request approval and authorization for the Chairman to sign the Agreement with Redding Occupational Medical Center (ROMC) for the purpose of providing physical examinations and drug and alcohol testing services for rates set forth in Exhibit "B" with maximum compensation not to exceed \$60,000, effective 5/2/19 and shall terminate 12/31/20
(Miscellaneous Agreement #2019-167)

Financial Impact:

This agreement has a not to exceed amount of \$60,000. Departments will be billed individually for services rendered under this agreement. Payment will be made from the General Fund and from non-General Fund sources depending on which department received services. Workers' Compensation related services are billed directly to the third party administrator, York Risk and are not included in the not to exceed amount.

Background Information:

The requested action is to approve an agreement with Redding Occupational Medical Center (ROMC) for the purpose of providing physical examinations for pre-employment, workers' compensation treatment, and drug and alcohol testing services. The County's previous agreement with ROMC expired on 05/01/19. The rates specified in Exhibit B (Fee Schedule) have changes that now reflect the same rates for services provided by the County's other designated medical facility, Pulse Urgent Care. The agreements for both ROMC and Pulse Urgent Care will now reflect the same rates and contract period to expire 12/31/2020.
