Officer Joseph Tona**

Requested Action(s)

- a) AGREEMENT - Request approval and authorization for the Air Pollution Control Officer to sign the Carl Moyer/FARMER Off Road Equipment Replacement Program Agreement with Northstate Recycling, Inc. Salvage Yard, effective upon execution by both parties and terminate on 12/31/24 unless an amendment is made in writing and signed by all parties to extend that term

(Miscellaneous Agreement #2019-168)

Financial Impact:

There is no Financial Impact associated with this item.

Background Information:

For the District's Equipment Replacement Program for mobile and stationary agricultural engines, the District is requiring salvage yards that want to participate in the program to sign a salvage yard agreement. The purpose of this agreement is to assist the District as an eligible salvage yard to receive equipment from participants to be destroyed. Salvage yards must destroy the old equipment within 60 days of notification from the grant participant or District, provide photos or request District staff be present for photos and submit a certification form with the photographs.
