

Board of Supervisors
Meeting Date: June 11, 2019
Prepared By: Debi Barnwell
Preparer Phone: 530-528-3204
Preparer Email: Debi.Barnwell@tchsa.net
Consent Item

HEALTH SERVICES AGENCY / CLINIC DIVISION

Requested Action(s)

- a) AGREEMENT - Request approval and authorization for the Executive Director to sign the Subcontractor Year Three Agreement Addendum with Aegis Treatment Centers LLC for the purpose of furnishing labor and materials required of a Spoke as part of the California Hub and Spoke System of the California Medication Assisted Treatment (MAT) Expansion Project, for the period 7/1/19 to 9/30/20
(Miscellaneous Agreement #2019-165)

Financial Impact:

This is a continued receivable to the Department. The Department receives reimbursements at pre-arranged rates through the California Medication Assisted Treatment (MAT) Expansion Project, including salaries and benefits and treatment services.

Background Information:

This is an extension of the original agreement (Misc. #2018-98) that was approved by the Board of Supervisors on May 1, 2018 which would terminate on 8/1/19.

In April, 2017, the Substance Abuse and Mental Health Services Administration (SAMHSA) awarded the State Targeted Response to the Opioid Crisis Grant to California's Department of Health Care Services. In turn, California Department of Health Care Services implemented the California Hub and Spoke System (CA H&SS) of the California Medication Assisted Treatment (MAT) Expansion Project funded by the grant. The vendor, Aegis Treatment Centers LLC, is a "Hub" and the Health Services Agency - Medical Clinic is one of the "Spokes". A Spoke is a federally approved Data 2000 waived prescriber who prescribes or dispenses buprenorphine in office-based settings.

The purpose of the grant is to address the opioid crisis by improving access to treatment, reducing unmet treatment need, and reducing opioid overdose related deaths through prevention, treatment, and recovery activities for opioid use disorder.
