

State Transportation Improvement Plan (STIP) Amendment PPNO 2567 99W Gap Closure: Glenn County Line to Corning - Senior Civil Engineer Jessica Pecha

Requested Action(s)

Adopt Resolution No. 04-2021: 2021 STIP Amendment for Reprogramming of 99W Gap Closure: Glenn County Line to Corning City Limits (PPNO 2567).

Financial Impact:

CON funding will be moved from fiscal year 2021/22 to fiscal year 2022/23.

Background Information:

Tehama County proposes to delay CON from the 2021/22 fiscal year to the 2022/23 fiscal year to align with the previously approved PS&E allocation extension. Reprogramming and amendment of STIP funding will go before the California Transportation Commission for noticing at the May 12, 2021 meeting. Senior Civil Engineer Jessica Pecha is presenting this item and will be available for questions.
